HEALTHY AGING®

Suggestions For dressing during cold weather ...

- Wear three layers: a base layer that wicks moisture, an insulation layer that traps heat, and a shell layer that protects from wind and rain.
- Keep it tight: avoid loose clothing that can let cold air in.
- Cover your head and hands: wear hats and gloves that fit well and are made of warm materials.

Choose appropriate footwear: wear boots that are waterproof, insulated, and have good traction.

Administrative Notes and Reminders

Community Service and Self-Sufficiency Requirement

The Quality Housing and Work Responsibility Act of 1998 requires that all non-exempt, public housing residents, age 18 or older, voluntarily contribute a minimum of eight hours (8) per month of community service or participate in eight (8) hours of training, counseling, classes or other activities that enhance an individual's self-sufficiency and economic independence.

Any individual that is required to perform community service must do so. Failure to comply is a violation of your lease agreement and terms for eviction in

accordance with Section IX (aa) of the lease agreement.

Residents required to perform community service must be current and up-to-date by their annual re-examination. Any resident that is behind with their hours are given an opportunity to complete a cure agreement at the annual re-examination. An opportunity to cure is only given once during residency. Failure to abide by the cure agreement by the next annual re-examination will result in nonrenewal of the lease, which will terminate at the end

of the current lease year.

A list of approved agencies and timesheets for community service are available at the Central Office. Residents are not permitted to return their timesheets, as the agency must fax or mail the timesheet to the office. Self-addressed, stamped envelopes are available upon request.

For more information, please contact the Central Office at (910) 521-9711 during normal business hours.

Residents Required to Attend Annual Interviews

As specified in Section VII (c) of your current lease, the status of each family is to be re-examined at least once a year. At the annual recertification, Tenant shall certify to compliance with the 8 hour per month community service requirement if applicable.

Appointment letters are sent to the mailing address on file for each Resident. If you miss your first appointment, a second and final appointment letter will be mailed.

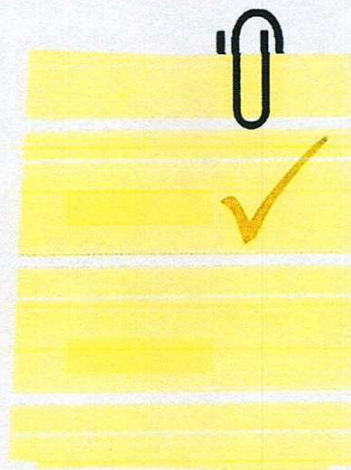

If you fail to attend scheduled recertification interviews (also known as re-examination inter-

views) or provide information regarding income, assets, and family composition, your lease may be terminated as stipulated in Section XIV (a) of the lease

agreement, which states in part, "5. Failure to supply, in a timely fashion, any certification, release, information, or documentation on family income or composition needed to process annual reexamination...".

If your contact information has changed since your last annual interview or you believe you may have missed your scheduled appointment, please come to the Central Office as soon as possible.

For more information, please contact the Central Office at (910) 521-9711 during normal business hours.

Pet Policy

Residents must have the prior written approval of the Pembroke Housing Authority before moving a pet into their unit.

Residents must request approval on the Authorization for Pet Ownership Form that must be fully completed before the Pembroke Housing Authority will approve the request.

Residents must give the Housing Authority a picture of the pet so it can be identified, when necessary.

Please contact the Central Office for more information or concerns regarding the Pet Policy.

PROPERLY**

Resident Reminders from the Maintenance Desk

Please refrain from tampering with outside water faucets that may cause damage. Doing so may result in charges being assessed in accordance with the Maintenance Charge List adopted by the Board of Commissioners.

Maintenance staff is frequently called upon to unclog drains in the kitchen and bathrooms of units. These drains become clogged when items are used or dropped into the lines that are not easily handled by the drain lines. When this happens, a maintenance charge is assessed to you because this repair is beyond normal wear and tear of the units. It is your responsibility that these drains do not become clogged.

All residents are reminded that proper upkeep of their units is vital to the safety of their household and neighboring units. Residents are encouraged to take the following actions to ensure that their unit adheres to a safe and clean environment:

1. Dispose of all glass products into sealed bags within larger trash bags. Do not place glass separately at the curb as it poses health and safety hazards.
2. Refrain from putting up swimming pools in excess of five feet in diameter, play sets and other outdoor equipment. Any permissible swimming pool must be empty when not in use.

Any items left outdoors, including trash, that prevent proper lawn maintenance may result in charges being assessed in accordance with the Maintenance Charge list adopted by the Board of Commissioners.

PHA encourages all residents to perform housekeeping duties to ensure proper housekeeping standards. Below are several items to ensure these standards are met:

1. The toilet, sink, bathtub, and floor of the bathroom cleaned and kept in a sanitary condition.
2. All floors should be regular vacuumed, swept and/or washed and kept free of food and beverage.
3. The stove, refrigerator, and sink should be cleaned regularly and kept in sanitary conditions.
4. Closets kept cleaned and organized.
5. Air vents kept free from lint and dust.
6. The interiors of the apartment should generally be kept in clean and livable conditions.
7. No storage permitted on top of air/heat units or other appliances.
8. The yards and porches should be kept cleaned of all debris, old furniture, and litter.
